This beautiful classic home is by McGuire Design & Construction, a member of the exclusive Tradition Family of Builders. It features downstairs master suite, eat-in kitchen, formal dining room, & fireplace. Enjoy your morning coffee on the scenic balcony or relax on the rear side porch.

COMMUNITY OVERVIEW: The Village at Tradition offers you the best of small town living, with the essentials of daily life within a short, comfortable walk from every home. The 314-acre Village features neighborhood parks, walking trails, lake, amphitheater, mixed use Village Center, community pool, fitness center, state-of-the-art “Fiber to the Home” cable, phone, and internet network, community intranet, wireless “hot spots,” and underground utilities, including natural gas. The Village is governed by a Homeowners Association. The community aesthetics and architecture are controlled by a set of covenants and the Tradition Design Code.
